Dear Ms. Donohue:

We at Gift of Hope Organ & Tissue Donor Network want to thank you and the Gavin B. Donohue Foundation, for your very generous donation of \$500.00.

We are depositing your check in our educational fund. We feel that it is only through education that the public will realize the critical shortage of donated organs and tissues. With proper education, we hope more organs and tissues will be donated so that critically ill people will have a second chance at life.

Sincerely,
