

December 24, 2009

Ms. Claire Donohue
The Gavin Bradford Donohue Foundation
2220 Wharf Drive, Apt. 1908
Woodridge, IL 60517-5357

Dear Ms. Donohue:

Please accept our deepest thanks for The Gavin Bradford Donohue Foundation's December 22, 2009 gift of \$1,000.00 to the Center for Work Zone Safety and Mobility Fund at Illinois Institute of Technology. It is because of friends like you that our university can give an outstanding education to students, offer resources to our award-winning faculty, and maintain our historic campus.

As we extend our gratitude to you, we are attaching a receipt to this letter, so that you may have a record of your charitable contribution to Illinois Institute of Technology.

We also may recognize your contribution in university publications such as our Donor Honor Roll. Please let us know if you would like your name listed differently than:

The Gavin Bradford Donohue Foundation

IIT owes its very existence to an act of philanthropy, and we realize that every gift to us is an act of thoughtful generosity. We appreciate your assistance to the university we cherish.

We strive to take good care of our donors, and I hope you will contact us with any questions about this or future gifts to IIT.

The entire IIT family thanks you for your support.

Best regards,

Vice President, Institutional Advancement
